Dear Mr. Jones:

This correspondence is in response to your Request for Additional Information (RFAI) for the above referenced report.

Regarding the "transfer of Computer Assets" to our committee reported by the Michigan Republican Party, the procedures necessary to account for this transfer and determine the value and date of the in-kind transfer had not been completed at the time the report was filed. Now that this issue has been brought forward we have communicated with the Michigan Republican Party and we are able to confirm that this transfer has taken place. We have amended our report to indicate this activity.

I trust this response will meet your requirements, however please feel free to contact me if you have any remaining questions.

Sincerely,

Pat Huyck
Director of Accounting
